What B-R Means To Me . . .

For the 21st anniversary edition of Unitas, the staff polled the student body to find the answer to "What B-R means to me." This opening section of the 1982 yearbook contains some of the answers we got to that question: "Being Ourselves," "Special People," "Growing," "Learning," "Friendship," "Sportsmanship" . . .

Being Ourselves

A SPECIAL PERSON

The Class of 1982 is proud to dedicate this, the 21st Unitas, to a very special person, Mr. "Hank" Pearson.

"Hank" has been at B-R ever since it started back in 1961. A Bridgewater native, he was a successful coach at Braintree High School, coaching varsity baseball, varsity football, and varsity basketball, before returning to his home town to take on the head baseball position at B-R as well as assistant football and assistant baksetball duties. In addition, he has been a dedicated teacher in the Biology Department.

Mr. Pearson has been a great coach, teacher, and friend. He has, for the past 21 years, been as important to B-R as the roof over the building. His teaching and coaching have inspired us, his jokes have amused us, and his friendship has encouraged us.

B-R is a better place because of "Hank". "If you met him, you met 'em all."

Thank you and good luck,
The 1982 Unitas Staff

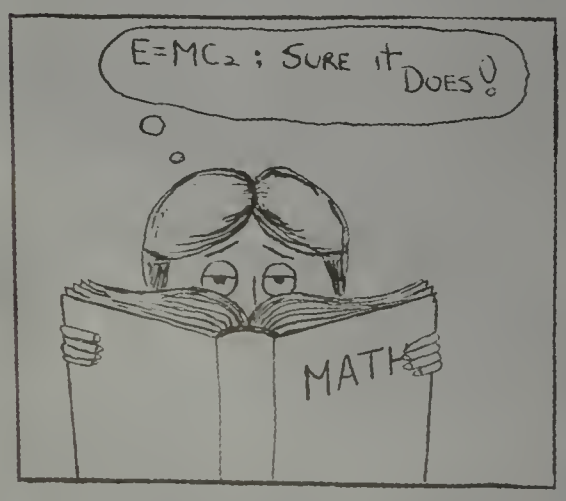
Learning

We've learned a great deal in the past four years, both in and out of school. At B-R, we learned from experiences and teachers, from our mistakes and their examples.

Those lessons which we practiced finally found space in our brains. Each book we read, each note we copied, added to our store of information. And each mistake we made wounded us at first, but, then, taught us not to err again. Fortunately, we did not have to learn everything through mistakes, for the world would have been much more cruel.

We learned outside of school as well. We were taught by our friends, television, radio, and especially by our parents. Our mothers and fathers encouraged us to succeed. They provided examples of behavior, surprise at our successes, and joy at our victories. B-R became their school as well as ours. We shared the experience together.

To all who taught us we owe thanks. We hope we will appy this great wealth of knowledge to the problems which we confront in the future.



Sportsmanship

Throughout our high school years we've stood by our teams and cheered them on to victory. More importantly, we stood by them in defeat, encouraging them to continue and to look to future challenges with hope and optimism. We hail our champions for their accomplishments and console those who have met with disappointment.

SWEENEY

Friendship

B-R has brought us together as students, teachers, coaches, and as friends. We've found friends to share lunch with, to sit with in class, and to compete with.

Before I met you, I was lonely,
I was lost, I was depressed, I cried.
Now I can be happy, I can smile.
Now I can care for someone.
Now I have someone to share my thoughts with.
I have found a beautiful person that really knows me.
You know when I'm bummed out.
I know I can come to you and be cheered up.
I've shared so much of my life with you already.
You understand my feelings and often we feel the same.
I can trust you and even depend on you.
Now that I've met you, I look forward to facing each day.
Since you make each day brighter.

Growing

Growing stronger, growing taller, growing mentally, and growing physically, the student body has grown together. The years passed and we changed, but to one another we appeared to stay the same. We have grown accustomed to those gradual changes which have reformed our appearances. Now those pictures of our friends as little children seem strange and unrecognizable.

Living

In our free time without a responsibility in our minds, we live life to the fullest. The joys we share in our hours of leisure. Our zany stunts which have proved our lunacy are all done for the sake of brightening up the normal day to day routine. The last bell of Friday signals the time to forget our anxieties and enjoy a weekend of excitement.

Our 21st Year

The 1982 Unitas staff feels privileged to be able to congratulate B-R on its twenty-first anniversary year. Our school has gained local and statewide recognition for both our curricular and extra-curricular activities.

B-R has sent its graduates on to some of the finest colleges in the country. The fact that it continues to do so is a testimony to the faculty, to the administration, and to the student body,

For twenty-one years this school has enthusiastically received the freshmen of two towns, educated them well, and changed their lives dramatically for the better. Few schools in our knowing have done so fine a job. The "founding fathers" did well. They designed a school for people: based on the idea of treating students as people.

We have done well for twenty-one years. Let us continue. Happy Anniversary, The Yearbook Staff.

Dear Graduates:

A goal has been attained. Your graduation from B-R represents achievement. Congratulations.

The importance of education will become more evident as you continue to gain in knowledge and grow towards maturity. The process of education is critical to your survival in our complex world and also serves to insure the security of a free society.

Thomas Jefferson was one of the greatest advocates of strong public education. He had the foresight to project the consequences of ignorance. Jefferson stated, "If a nation expects to be ignorant and free in a state of civilization, it expects what never was and never will be."

Public education has guided you away from ignorance by embarking you on a journey towards understanding. Public education "stands for something - it does not fall for anything." It does not "trickle down" from an elite class to a common class. It simply is an opportunity for all. It is too precious to be lost in political retoric; protect it, cherish it, and above all give the gift of this opportunity to the next generation.

B-R has been your opportunity and you are our pride.

Sincerely,

Edwin Denton

B-R is . . .

A faculty and administration which have led our class through four years of preparation for our destinies. For 21 years the school has molded and reformed to change with the changing needs of the students and the communities. Each year different problems challenged the staff. The decisions made by our teachers and by the administrators may set precedents which may affect the school for years. Their decisions became our "rules". Their voices guided us and maintained order in our school society. Through Vietnam and Watergate, through "psychedelic" and "punk", B-R has prospered — a testimony to our teachers, our staff, our administration, and our continued faith in them.

Now, As I was saying . . .

Some time ago, the Regional Sound ran an article by Cheryl Verhoorn called "Do You Really Know Your Teachers?" We found the quiz so entertaining that we decided to revise it for this issue of Unitas.

1. "Color the Maps!"
2. "No-kaka-no!"
3. "Just bear with me."
4. "This is true."
5. "Let's do some simulated Latin."
6. "Get behind the white line!"
7. Eighth period all next week!"
8. "In effect . . . "
9. "Now, just relax."
10. "I'm allergic to pencil tapping."

The Student Council last year started a tradition of delivering flowers on Valentine's Day to students and teachers alike. This year's sale was even a greater success.

Also, every year the Student Council, led by its advisor, Mr. Pelczarski, holds an annual blood drive in conjunction with the American Red Cross.

These two events keep the Council members pretty busy. For 1981-82 the Council was led by President Michael Meehan, Vice-President Duanne Striggles, Secretary Gjon Nivica, and Treasurer Mark Blakeley.

The Bridgewater-Raynham Ski Club is planning an exciting season of skiing. Nine day trips and two overnight trips are scheduled. Over 150 students have expressed a desire to go skiing.

The day trips will be on both Saturdays and Sundays so that students with jobs may participate. The day trips will focus on the following ski areas: Loon Mountain, Waterville Valley, and Gunstock Mountain. Gunstock will be our home mountain. The three-day overnight is going to be at Jay Peak in northern Vermont. The February vacation trip will be to Sugarloaf Mountain in Maine.

The Ski Club will also feature cross country skiing in addition to downhill for the first time. Waterville Valley in particular has outstanding cross country facilities.

The Club also hopes to encourage members to become active in an organized lesson program so as to improve skiing skills.

All in all, we hope to combine fun, sport and skill development for all our members. The Club's advisors are Mr. Heaslip and Mr. Moscardelli.

Having won the editorial award with the very first edition, the staff is rolling along hoping to achieve the standards of excellence set by previous successful years. IT'S OUR CHOICE

There are so many things
on this oversized star
for a person to do
without travelling far
But the world is so large
and there's so many lands
we all have to change
so we'll all have a chance
A chance at a life
that's not sitting at home
Knitting a sock
or fixing a phone
we all have our stardom
our life and loved friends
we take to our boredom
as an out of style dance
but life is too quick
with so little time
to do what you wish
and to make a small dime.

By Kelly Hambly

THE SEASHELL

You search until
You find it,
The perfect seashell.
You stare in awe
Of its perfection —
Smooth, colorful, shining.
You want to grasp it, but
Suddenly, a wave creeps up,
Covering the sands;
Slowly it departs.
The shell is gone.
But where did it go?
You'll never know.
Lost forever.

WAIT

Everyone is forced to wait.
It must happen sooner or late.
The only difference is what
we anticipate.
The arrival is always the choice
of Fate.
One may hope for someone's
return
Or just for that which they
yearn.
Patience is for all to learn.
Until Fate gives each a turn.

Music is very much a part of the life of every student at B-R. Some are content merely to listen, others, in increasing numbers, make their own music, and B-R is fortunate to have two very talented musicians on staff, Mr. Les Krick and Mr. Paul Peterson. There are three major musical groups at B-R: the Marching Band, the Symphonic/Concert Band, and the Jazz Band. These three groups provide both B-R and the communities with a broad range of music. The Bridgewater-Raynham Marching Band combines patterns of motion and music to provide entertainment at half-time for Trojan football. The group also performs at community parades and celebrations.

The Bridgewater-Raynham Regional High School Concert Band performs monthly in the communities during the winter and spring. The music performed in these concerts is largely a representation of the various styles found in the classical repetoire. However, music from the semi-classical as well as from the popular field is also performed. This fine organization now holds the AAA State Championship for symphonic bands.

The B-R Jazz Band, under the direction of Mr. Paul Peterson, is one of the most popular groups in school. This group plays music from both the popular and jazz repetoires. The group performs at the Christmas Concert as well as at concerts in both communities and in local schools.

Cheering

It would be nearly impossible, but in case you haven't noticed, those girls wearing the red and white plaid skirts and white vests on Fridays are not just any girls, they're the Bridgewater-Raynham Trojan Cheerleaders. Wearing those uniforms you will find Sherry Blais, Cheryl Knowles, Jane Knowles, Lisa Griffin, Elise Nivica, Beth Perry, Heather Richie, Michele Sypher, Ellen Querzoli, Brenda VanGiesen, and Mary Zutaut.

Knowing their names is important, yes. Just as it's important that their pompoms wave jubilantly, their lips smile, their eyes flash, and their legs kick impossibly high. Everything the Trojan Cheerleaders do is now even more important since their winning of the U.S.C.A. National Cheerleading title — a reputation they must now uphold. But, the awards did not come easily. Co-Captain Beth Perry explains: "We've worked awfully hard, going to camp in the summer, then cheering for the football team in the fall and the basketball team in the winter." The hard work and practice the cheerleaders have put into their routines have not been in vain, however, as they appear to be the closest thing to Cheerleading perfection since the Dallas Cowgirls. Even with all this added attention and awards they have won, Co-Captain Lisa Griffin has this to say: "Nobody on the squad is a snob, or thinks being a cheerleader is anything to be conceited about. We just all work together — everyone trying their best."

We'll be looking for you on the sidelines, girls! Keep up the good work.

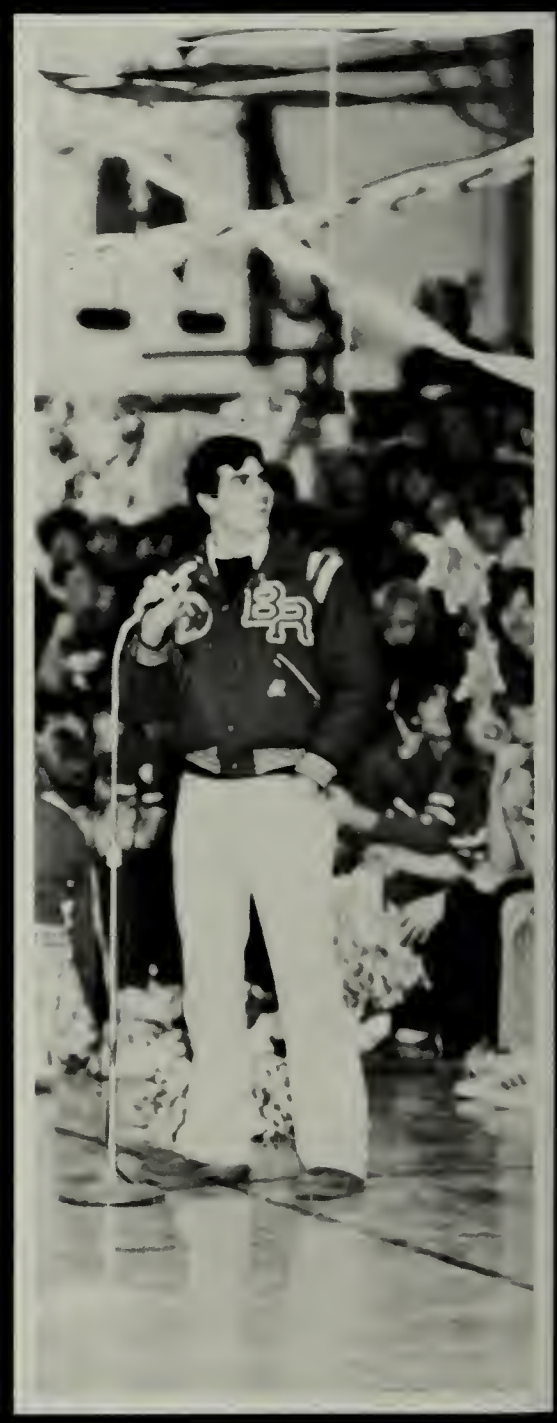
Thanksgiving Rally

This year's Thanksgiving Rally took place on November 25th. The Seniors won overall. The floats were more ambitious than in previous years and the cheering was more enthusiastic. Skits were performed by both the cheerleaders and the senior members of the football team. In fact, team members were called back for an encore.



Football — OCL Champs!

1st Row: S. Prisco, M. Blakeley, G. Nivica, D. McCabe, R. Iafrate, M. Sweeney, R. C. Kane, M. Grigas, G. Gannon, N. Zonfrelli, P. Schneider, P. Wyman, D. Olson, D. Pottier, T. Mavor, K. McLaughlin, R. Ecklund, Coach E. Cunningham.

The pre-season evaluation of the B-R Trojans football team looked bleak. They had only two returning starters and had lost their entire graduating offensive line. However, with Head Coach Paul Urban and his assistant Coaches Al Stonkus and Dave Creighton, there was a proper blend of mental discipline, intelligence, and a "high level of intensity" which transcended to the players. This unequaled combination of coaches and a positive attitude by the team more than made up for its inexperience.

Led by their tri-captains Neal Zonfrelli, Greg Gannon and Phil Schneider, the Trojans began their quest for an OCL title with wins over long time rivals: Whitman-Hanson, Silver Lake and Scituate. The victory over Silver Lake broke an 11-year jinx and provided Coach Urban with his 100th career win. The Coach attributed his team's success to their hard work, dedication, and team unity. Without these qualities the Trojans would have been an average team. But they were hard working players and together they played like the champions they would become.

The 1981 football season will be long remembered: Coach Urban won his 100th game, the Trojans were undefeated at 10-0 (the first time in the school's history), and they were crowned OCL Champions. But most of all we will remember the 1981 Trojan football team as a group of dedicated young men, spurred on by an intense desire to win — and win they did!

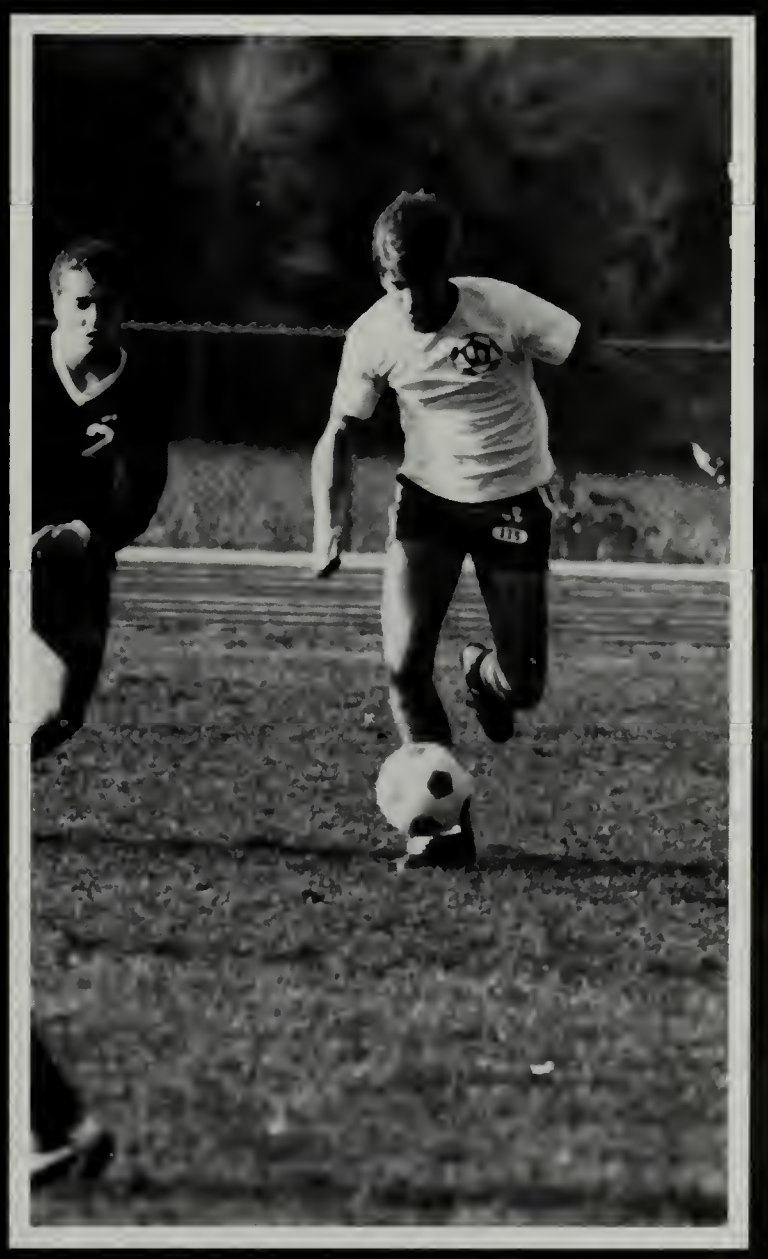
Boys' Soccer — We Are the Champions!

1st Row: S. Schum, D. Murphy, M. Parris, J. Walsh, T. Mazzeo. 2nd Row: L. Politano, T. Flynn, B. Nelson, R. Chicoine, D. Burke, B. Pike. 3rd Row: T. Correia, M. Lynch, S. Tebou, M. Meehan, J. Locke, K. O'Neill, G. Tipping, S. Oliveri.

The 1981 B-R Boys' Soccer team was undefeated in regular season play and made it to the semi-finals in state competition. This year's team continued the very successful tradition of soccer at B-R. Again, the Boys' team captured the O.C.L. title.

Four members of the team made the All Star Team: Shawn Schum, Larry Politano, Fernando Ferreira, and Timothy Flynn. The three top scorers in the O.C.L. were Shawn Schum, Fernando Ferreira, and Larry Politano. Shawn Schum made the Boston Globe All Star Team.

No one at B-R will ever forget the three state tournament games played late in the fall of 1981. And no one at B-R will ever forget the last second head ball of Don Murphy which would have tied the game with Foxboro but was deflected by a Foxboro player!



Girls' Soccer — Best Ever!

1st Row: C. Mattson, J. Rigo, J. Colford, M. Kilbridge, M. Callahan (Tri-Capt.), Liz May (Tri-Capt.), Tracey Bumpus (Tri-Capt.), C. Cunningham, K. Wilcox, C. Heslin, P. Callahan. 2nd Row: Coach J. Jackson, Ellen Bent, M. Dolan, L. Govoni, A. Callahan, B. Flynn, J. Paul, S. Peluso, A. O'Connor, C. Owens, M. Desisto, S. Reed, Asst. Coach L. Callahan. 3rd Row: K. Crowley, M. Gracia, D. Dorr, K. Scirocco, R. Murray, C. Callahan, D. Ellis, D. Stafford, K. Bearce, T. Poirier, K. Smith, T. Lee.

The 81 girls' soccer team under the direction of third-year coach Jim Jackson, successfully defended its OCL title. Led by tri-captains, Tracey Bumpus, Maureen Callahan, and Liz May, the team dominated the OCL while registering a perfect 10-0 record. Aided by the presence of the OCL's top three scorers: Liz May, Tracey Bumpus, and Peggy Callahan — the team scored an astounding 63 goals in ten games. The defensive statistics were equally impressive as the team allowed but a single goal in OCL competition. As a result, of their domination, the team was well represented on the OCL All Star Team placing six members on the first team and three members on the second. Seniors: Tracey Bumpus, Maureen Callahan, and Liz May, along with Juniors: Peggy Callahan, Chris Mattson, and Jeanne Paul were the representatives on the first team.

As a result of their OCL championship, the girls competed in the state tournament for the fourth consecutive year. Ceded seventh in the state, the team defeated Lincoln-Sudbury by the score of 1-0 in the third overtime at home. Next, B-R travelled to the home field of number 2 ceded Winchester where they lost the hard fought battle 2-0. The overall record of the team was 13 wins and 2 losses.

Golf — Hope For The Future!

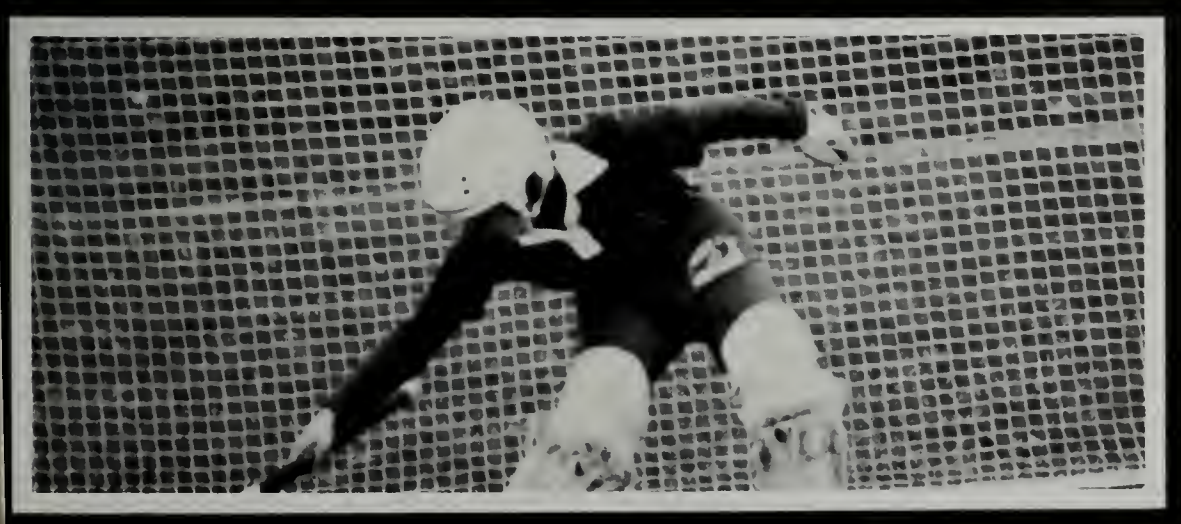
First Row: B. Giddings, R. Smudin, C. Flynn, D. Almeda, S. Saccocia, S. Koulas, T. McGrath.
Second Row: Coach Driscoll, B. Deasy, D. Lech, P. Brennan, J. Burke, M. Gorman.

Despite outstanding play by Dave Almeda and Chris Flynn, the golf team was winless. With twelve of the thirteen players underclassmen, Coach Robert Driscoll looks to the future optimistically.

Due to the popularity of football and soccer, many fine golfers are unable to play. However, with the personnel the team now has and with some experience, the underclassmen should rise to the occasion and provide Coach Driscoll with successful seasons in the future.

Girls' Field Hockey — Winning Attitude!

1st Row: M. Kilbridge, C. Robak, R. Bois(Co-Capt.), C. Stebbins (Co-Capt.), A. Levesque. 2nd Row: M. Rodrigues, M. Cooke, M. Kilbridge, J. Querzoli, D. Crossman, D. Morrison, M. Norvish. 3rd Row: L. Laverty, D. Pickett, P. Mercadante, A. Morwick, M. Levasseur.



Rookie Coach Sears suffered several tough losses in the course of the 1981 season. With losses to Scituate, Hingham, and Plymouth-Carver all by one goal there is certainly hope for the future. Employing hard work and hustle, Coach Sears exploited the available talent and soon seems destined to have a winning season.

Boys' Cross Country — An Exciting Season!

Kneeling: B. Phillips, S. LaFlamme, M. D'Andrea, A. Tonry, G. Bent, B. Wyman, S. Wirta, D. Ninesling, A. Francis, T. Brennan. Standing: T. Wyman, R. Fountain, J. Sale, J. Widenfeller, J. Manning, S. O'Connor, B. Mitchell, B. Lewis, J. Oliveri, B. Cartwright, J. Pacheco, C. Smally.

For the past two years one cannot talk about Cross Country at B-R without mentioning Barry Wyman. Winning the All-League and South Shore meets, Wyman won every race he completed.

Seniors who helped the CC cause were: S. Wirtha, M. D'Andrea, and T. Brennan. Next year's hopefuls are: G. Bent, B. Louis, and S. O'Connor. All of these youngsters did a good job in the 1981 season and will surely provide Coach Moscardelli with successful meets.

Girls' Cross Country — An Even Season!

Kneeling: K. McMahon, M. Williams, A. Mavor, L. Littlefield, N. Dineen, K. Morwick, L. Meaney, K. Urban. Standing: Coach L. Tufts, J. Silvia, A. Gannon, J. Worcester, C. Prisco, B. Littlefield, L. Worcester.

Despite the girls' .500 record in 1981, Coach Tufts had good reason to be proud. His team had only one senior, D. Jaskola, and a good many talented underclassmen. J. Worcester and K. Morwick, a junior and a sophmore, were both strong team members. With these girls returning next year, the Girls' C.C. Team will be fighting for a possible OCL Title.

Boys' Basketball — Trying Season!

Kneeling: Coach Sarantopolous, S. Shawn, P. Muir, M. Blakeley, Coach Fisher. Standing: T. LaFleur, B. Wyman, M. Costa, G. Badagio, M. Meehan, M. D'Andrea, M. Needham, P. Schneider, C. King, G. Bent, E. Lampros, S. Wirta, D. Cuff.

Unfortunately, a slow start and some key injuries denied the Trojan boys' basketball team a legitimate shot at a championship season. With talented tri-captains, Mark Blakeley, Pete Muir, and Shawn Schum, the team showed signs of greatness — when at full strength. The Trojans featured a strong bench including Mike Meehan, Barry Wyman, Phil Schneider, Scott Wirta, and Jeff Badagio.

Girls' Basketball — An Impressive Season!

1st row: T. Bumpus, M. Callahan, M. Kilbridge, J. Colford. 2nd row: J. Flaherty, J. Rigo, L. Meaney, M. Kilbridge, J. Paul, B. Flynn, P. Callaghan, M. Williams, Coach Costa.

The 1981-82 girls' basketball team had a very successful year. Under the leadership of co-captains Maureen Kilbridge and Maureen Callaghan, the girls were a major force in the OCL. With the outside shooting of Jill Colford and Kristen Norwick and the inside work by Maureen Kilbridge and Beth Flynn, the team scored consistently well all year. The outstanding member of the team was Margaret Killbridge who was consistently the high scorer as well as an excellent rebounder. Despite losing three seniors to graduation, Coach Costa can look forward to another successful season with many returning varsity members.

1st row: T. Williams, A. Cappiello, N. Thrasher, L. Govoni, T. 2nd row: M. Dolan, A. Callaghan, K. Peterson, S. Peluso, M. Kilbridge, J. Parker, Coach Sears.

Boys' Gymnastics — Looks Promising!

Although the 1981-82 boys' gymnastics team didn't fare that well at meets, team members showed a lot of promise for the future. Jim Revil was outstanding at high bar and vaulting while Darrin Harris and Troy Spencer looked strong in all events and especially in the rings. Coach Mulloy can look forward to a strong team next year.

Kneeling: T. Bumpus, J. Revil, T. Larsen, B. Kilroy. Standing: S. Almeida, B. Kelly, Coach Mulloy, D. Harris, D. Flaherty.

Girls' Gymnastics — Outstanding Performances!

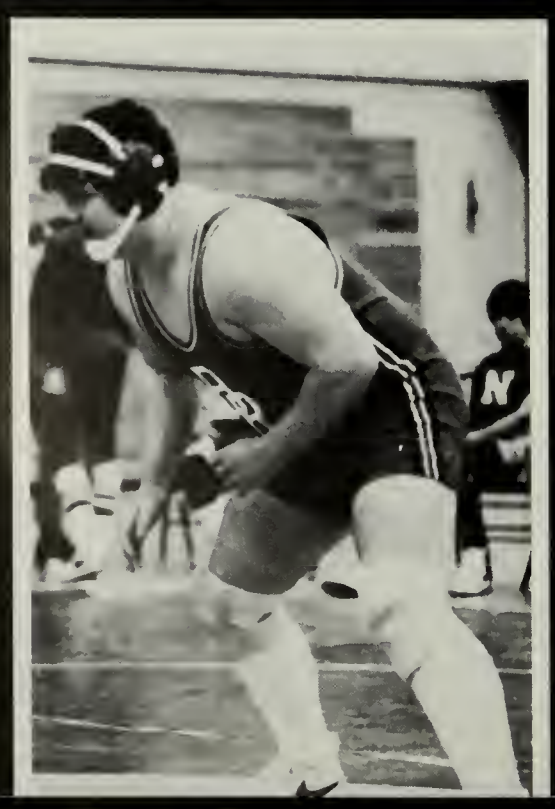
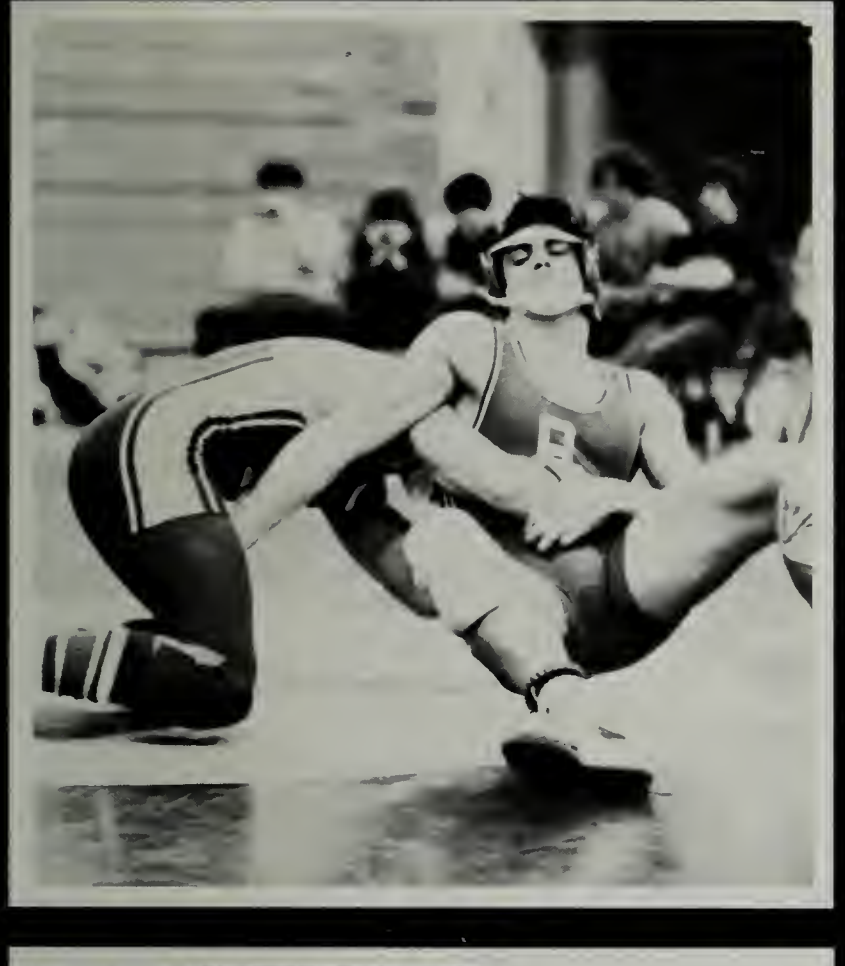
The girls' gymnastics team finished with a 3-5 record and a 2-3 in the OCL league. Non-league meets consisted of meets with the Suburban League. Outstanding performers were: Senior Nancy Jones on uneven parallel bars and vault and Sophomore Laura Sherry as an all-around performer. Other seniors on the team included Brenda VaGeisen and June Sherry.

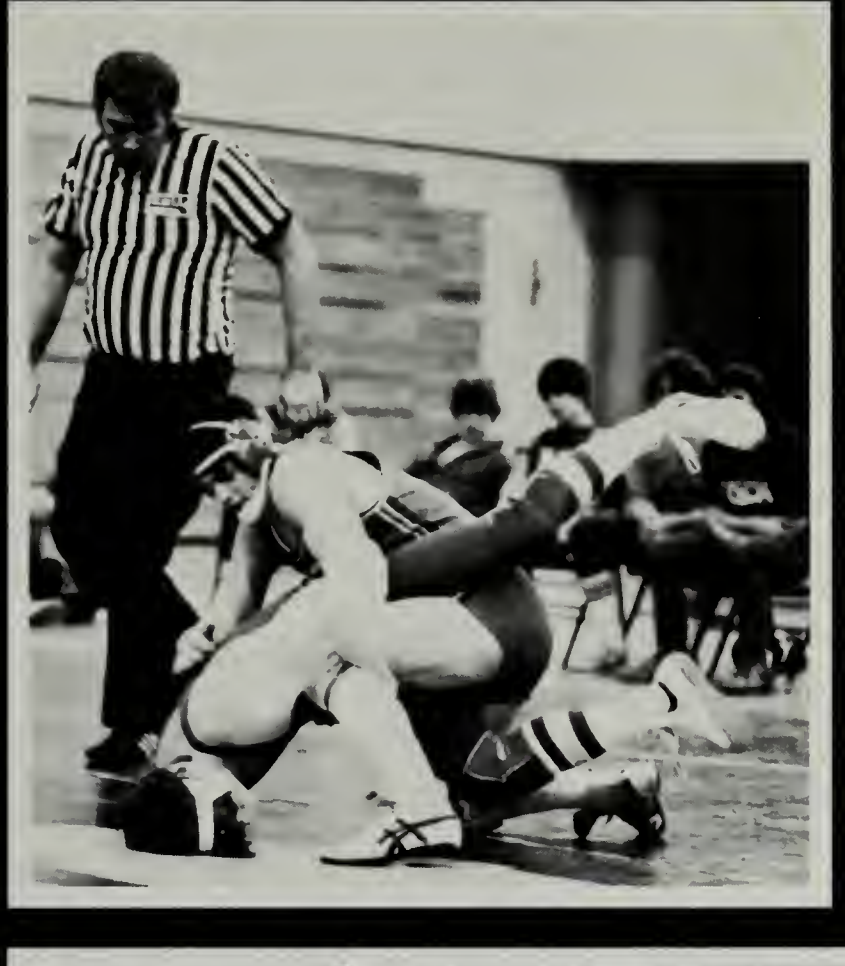
Wrestling — OCL Champs!

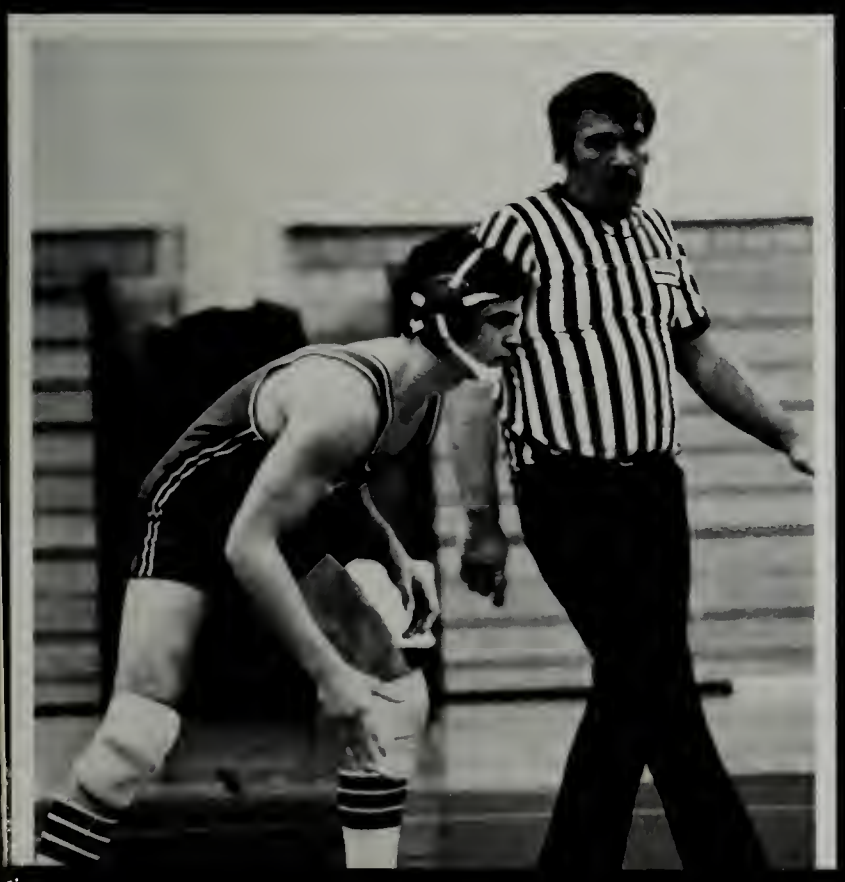
The B-R Wrestling team won its fourth straight OCL Championship this year. From the first of the season, the young team with many first year starters showed a strong desire to win. Working to develop both strong bodies and strong minds, the young grapplers with encouragement from seniors Neal Zonfrelli, Peter Wyman, Al Beninati, and Mike Grover, soon gained confidence and experience. Inspired talent and concerned coaching, under the leadership of Mr. Holmes, brought another championship to B-R.

Varsity Team (L-R): B. Caswell, J. Corriea, A. Beninati, N. Zonfrelli, P. Wyman, M. Grover, J. Francis. 2nd row: Coach Holmes and son, J. Cannistraro, J. Obin, R. Stanton, G. Pacheco, T. Wyman, D. Ritchie, T. Oliveri, P. Sweeney.









Hockey — Young Talent!

Sitting: D. Sotera, J. Sacaramozzino, M. Barnes. 2nd row: L. Howard, S. Barnes, J. Dolan, T. Page, R. Reed, S. Sullivan, B. Iafrante. 3rd row: Coach Pare, B. Chipman, T. Chipman, C. Flynn, D. Jamieson, G. Seaquist, B. Morrisey, Coach Crane.

The 1981-82 B-R Hockey Team was composed of many young, inexperienced players who showed real potential as the season progressed. The first line was composed of All-Stars who scored over 100 points, making it perhaps the top line in the league. Next year with many returnees, coupled with the two division OCL set up, B-R should challenge for the championship.

After a discouraging 6-10 1981 season the Trojan Head Coach John Pearson looks to 1982 as a complete turn around. With returning veterans Steve Prisco, Jeff Smith, Pete Muir and Mark Blakeley, the Trojans baseball team will be looking good as they drive for a return to normalcy and another OCL Title.

The 1981 Girls' Softball Team under the direction of first year coach John Dillon had a re-building season. Led by captains Karen Walsh and Kathy Tonry the girls lost many games in the late innings. The team is looking forward to a much improved season.

Coach Dillon, returning for his second year, is optimistic about the coming season with many experienced players coming back. Those returning are seniors Patty Freeman, Jill Colford, Denise Soucy, Tracey Whittemore, Robin Canepa and Karen Cross; and juniors JoAnne Rigo, Mary Rodrigues, and Alicia O'Connor.

The team had many league All-Stars: Paul Wyman (Pole Vault), Wayne Cram (Triple Jump), Tim Gracia (Javelin), Glenn Ross (Discus), and the 4×110 Relay Team. Leading the team in scoring was Paul Wyman with Wayne Cram and Glenn Ross, second and third. Thanks to the hard work and dedication of J. Worcester, N. Robak, and A. Morwick, along with that of the other team members, B-R made for tough competition.

Coach Urban — as well as underclassmen team members, will be sorry to see seniors K. Solomon, M. Kilbridge, C. Robak, and A. Clark leave.

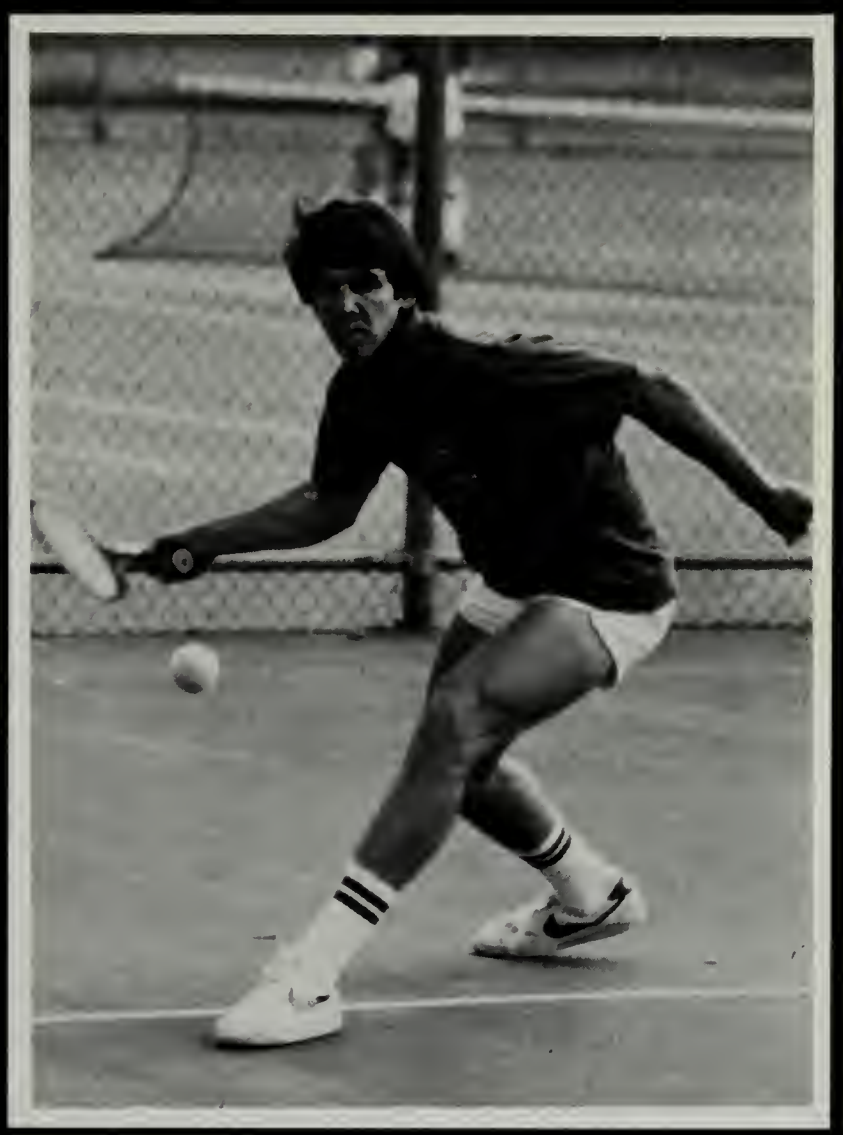
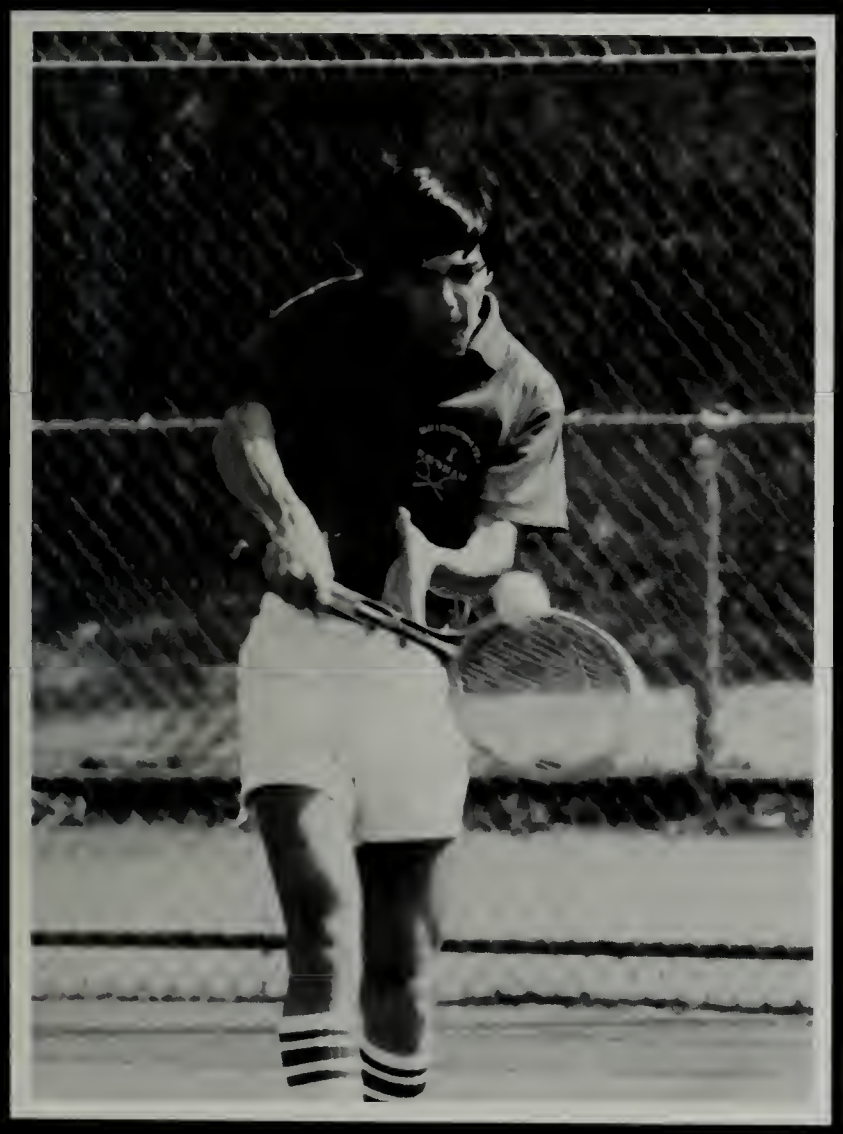
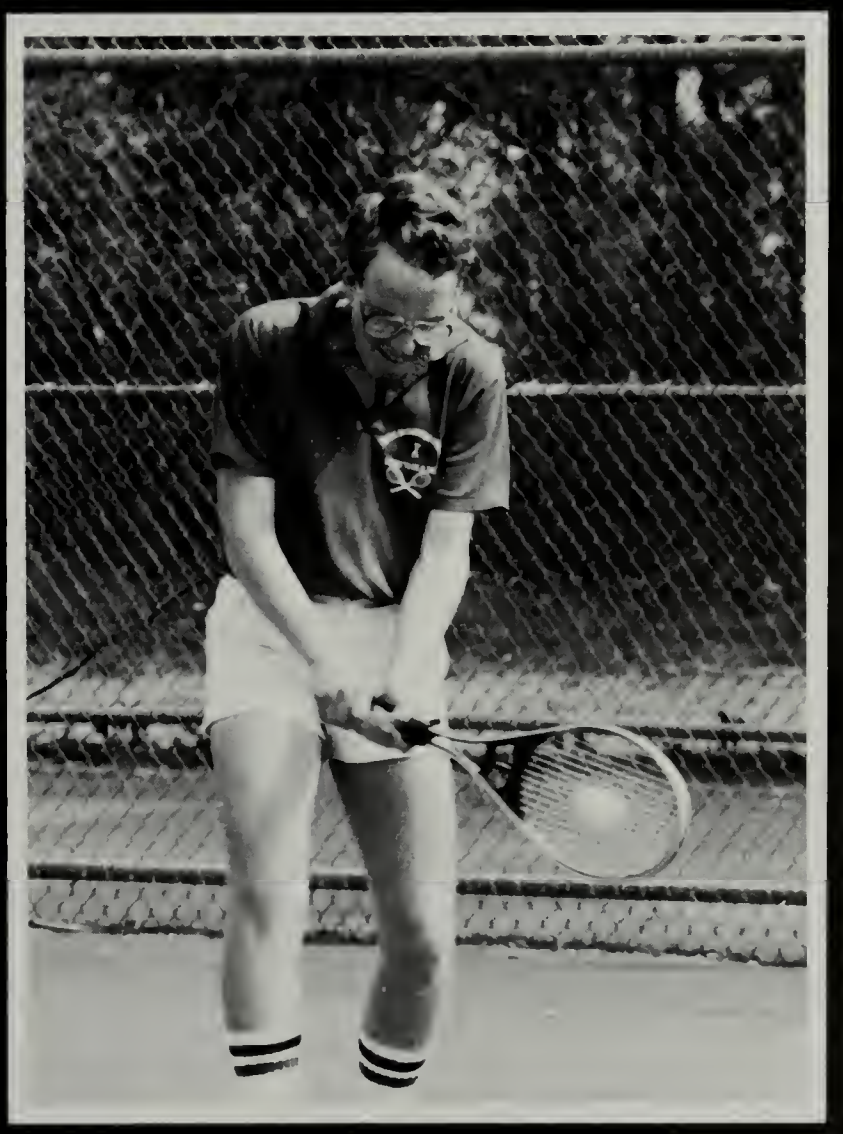
With seven returning lettermen, including B. Wyman, M. Merithew, and J.D. Clifford, Coach Fisher has good cause to look optimistically toward the upcoming season.







Girls' Tennis — A "Love"-ly Season!

Freshmen — New Faces at B-R!

The Freshman class is a very spirited one. They cheered louder than any previous freshman class to come in close in the cheering competition. They have big plans for their four years here at B-R, and we wish them luck. We hope that they will not waste their years here and that they will take full advantage of the fine education which B-R can provide.

Sophomores — Facing the Future!

Left to right: J. Revil, K. Murray, S. Clifford, C. Prohovish, Mr. Cunniff — advisor.

This year's Sophomore class has been very active under the direction of a new member of our staff, Mr. Cunniff. They have selected fine class rings and have great ideas for fund raisers.

Class Officers: B. Clifford — President, A. Morwick — Vice President, J. Hall — Secretary, L. Littlefield — Treasurer. Advisor: B. Djerassi.

The Junior Class, the largest class in the school, is one of the most spirited classes in memory. The class had a very successful float at the Thanksgiving Rally with the theme of "Drag the Bulldogs". The Prom Committee hopes to be the first group ever to stage a junior prom outside of the school. Members of the committee feel that this year's junior class deserves something "fancy".

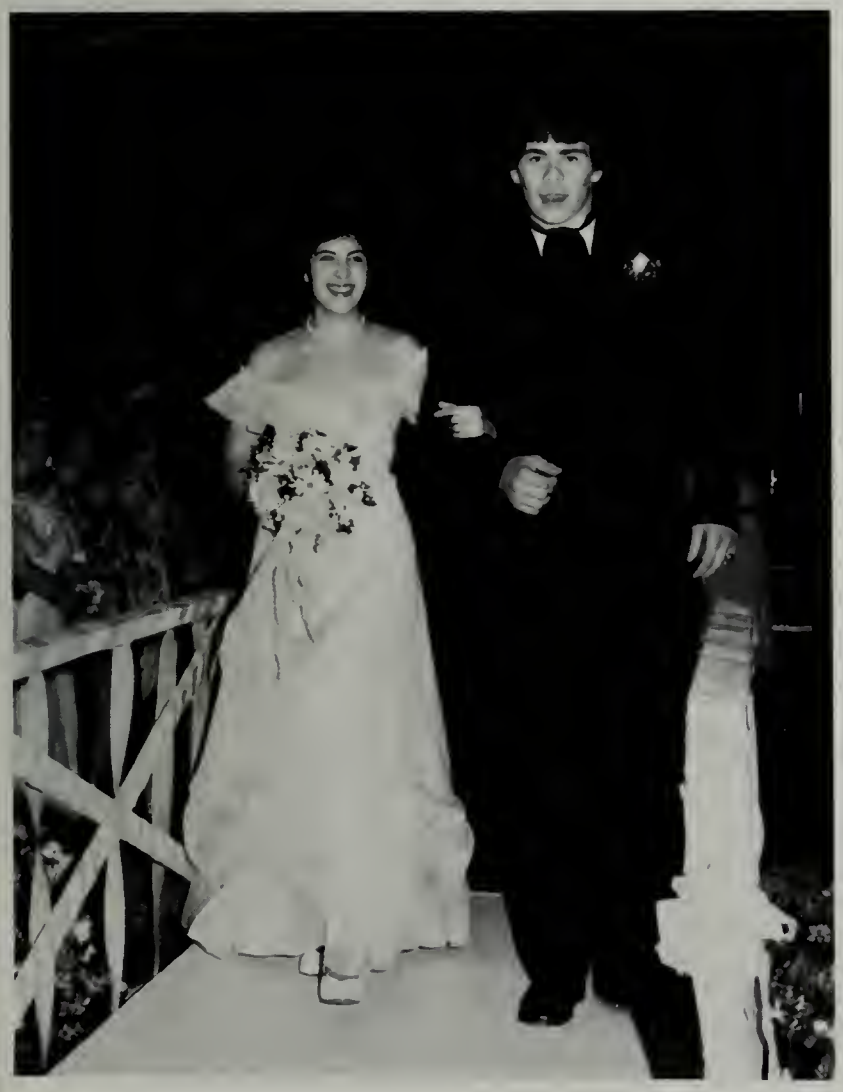
Junior Prom

The 1981 Junior Prom was held on May 5th. The Prom was a big success largely due to Mr. John Dillon, Class Advisor, and the members of the Junior Prom Committee. The theme of the Prom was "Keep on Loving You" — based on the song by REO Speedwagon.

Left to Right: K. Anania, B. Barros, M. Sypher (Queen), L. Rezendes, B. Sergio, and escorts.



Miss Regional Dance

Lack of student support caused the Miss Regional Dance to be somewhat of a disappointment. For those who did attend, music was provided by the group "Destiny". The main event of the evening was the naming of Miss Regional for 1981. First, Mr. Dillon announced the court, which consisted of Lorna Patterson, Lisa Rezendes, Michelle Sypher, and Glenys Gracia. Tension mounted as Mr. Dillon opened the envelope and announced, to the surprise of few, the name Lisa Griffen as Miss Regional for 1981. Lisa, co-captain of the varsity cheerleaders for basketball and football as well as a member of the National Honor Society, was presented a bouquet of roses by Senior Class President, Al Beninati. Lisa was escorted by Al to her throne where Coach Urban placed the ceremonial crown upon her head. The evening ended with the traditional spotlight dance where Lisa and her court danced with their assigned escorts. Lisa presided over Trojandom throughout the entire pre-Thanksgiving game festivities, which included riding in the parade and making a speech during the rally.

Capeway Junior Miss Pageant

On November 22, 1981, twenty-one seniors representing Bridgewater-Raynham, East Bridgewater, and West Bridgewater high schools participated in the annual Capeway Junior Miss Pageant. Award winners from B-R were Deborah Stanton, who received the third runner-up and physical fitness awards, Kim Edwards, who received the award for the most advertising, Kim Pagnini, who was awarded the prize for selling the most tickets, and Laura Arruda, who received the "Spirit of Junior Miss" award. Other participants from B-R included Paula Di Vincenzo and Tracy Ghelfi.

Senior X-mas Party

Christmas came early to the seniors of B-R this past year when approximately 100 costumed and dancing seniors transformed Dining Room 2 into a warm and friendly place and celebrated Christmas on the eve of December 18th.

Everyone rocked to the fine music provided by the senior class officers and advisors, but the highlight of the evening had to be the arrival of Santa Claus. Everyone gawked and cheered as Santa gathered the toys so generously donated by the students and promised to distribute them to needy children. The senior X-mas Party has always been a memorable party, and this year's was no exception!

HARVARD

J. H. FAIRB

This is the year we graduate.
To this school we'll come no more.
This is our goal of the past 12 years.
It is what we've waited for.

The days were laced with fun and games.
Along with our growing up.
We've developed personalities.
We've had to measure up.
Not only with tests and teachers.
We've had to make it with our peers.
And now that struggle is over.
Some feel like shedding tears.

We're going to miss our classmates.
The teachers' constant calls.
We're going to miss the notes and such.
All that we passed along the halls.

With that diploma comes a sad thought.
Our adolescent years are gone.
Many memories shared and remembered.
Now we must face reality!

The Leading Actors!

Left to right: Advisor J. Dillon, C. Knowles, B. Wyman, D. Striggles, A. Beninati, Advisor P. Capen.

The years at B-R have brought the members of the senior class closer together. Friendships have been made and have grown because of functions like the Christmas Party, the Miss Regional Dance, and the Junior Prom. This year's class functions included the Talent Show, the Senior Banquet, and the Senior Prom — the finale of the last act which the seniors played at B-R. This year's officers brought enthusiasm to this final year. Thanks go, too, to the advisors for a job well done.

For there is hope of a tree,
  if it be cut down,
that it will sprout again,
and that the tender branch thereof
  will not cease.
Though the root thereof
  wax old in the earth,
and the stock thereof
  die in the ground;
Yet through the scent of water
  it will bud,
and bring forth boughs
  like a plant.

— Job 14:7-9

We remember Michael. We remember his smile as he watched and laughed with us. We see him still, "riding" the halls.

Michael Cornwall

In Memoriam In Memoriam In Memoriam In Mem

When the blue hills grow tender, when they pull
the twilight close with gesture beautiful,
And shadows are their garments, and the air
Deepens, and the wild veery is at prayer,
Their arms strong around me; and I know
That somehow I shall follow when you go
To the still land beyond the evening star,
Where everlasting hills and valleys are,
And silence may not hurt us any more,
And terror shall be past, and grief and war.

— Grace Hazard Conkling

We remember Christine and our memory of her was with us here at B-R so that she too came with us with her laugh and she too graduated.

Christine O'Brien

Scott Walker

There comes a time for all of us
When we must say good-bye,
But faith and hope and love and trust
Can never, never die.

Although the curtain falls at last
Is that a cause to grieve?
The future's fairer than the past
If only we believe.

Trust in God's eternal care —
So when the Master calls
Let's say that Life is still more
Although the curtain Falls.

Anon.

We haven't forgotten Scott and what he meant to so many of us, his games, his laugh. He was with us here and laughed and, probably, is smiling still.

Bruce Zaverucha

In Memory of
Bruce Michael Zaverucha

Bruce, who we hold most dear,
Will never truly leave us . . .
  He lives on
In the kindness he showed,
The comfort he shared,
And the love he brought
  Into our lives.

Those we love,
Are with the Lord.
And the Lord has promised
To be with us.
If they are with Him,
And He is with us,
They cannot be far away.

The Final Scene

We leave B-R with more answers to the question: "What does B-R mean to you?"

From Miss Burton — "It has, fortunately, more elements of tragedy than comedy. I say that while B-R is no COMEDY OF ERRORS, it is at times possible to make Much ADO ABOUT NOTHING. For the most part, however, B-R is pretty much AS YOU LIKE IT. Because of this, B-R is like A MIDSUMMER NIGHT'S DREAM where all is WHAT YOU WILL. Yet, whatever happens, one always knows ALL'S WELL THAT ENDS WELL." From a cold senior in January "A place to keep warm!"

From Dr. Coyle — "Ends are often beginnings and thus the departure of the seniors gives rise to ambivalent feelings. There is sadness — the swift passage of time, friends going separate ways, leaving carefree days and a familiar place behind. But, there is also joy and hope — the task has been completed, the shining roads beckon to a new generation which takes the world in hand. The bitter-sweet circle remains unbroken." From Lisa Rezendes — "Great people and great times."

From Mr. Casabian — "Each of us has a chance in life to pursue excellence or mediocrity. It is our most noble decision. It is the one thing that will most notably mark the quality of our lives."

From Mrs. Fisher — "Be happy with yourself and always strive for excellence in whatever you do." From Lorna Patterson — "Great memories and a great time."

From Mr. Flangheddy — "To my mind, heeding advice is sometimes irksome; but giving advice is always difficult. Therefore, with reluctance, and at the risk of sounding sanctimonious, I shall share with you a quotation which has counseled me since I was an eleventh grader. A fragment of Polonius' fatherly advice to his son Laertes in Act I. scene III of Shakespeare's HAMLET, these three lines have sustained me through troubles, disappointments, and doubts: 'This above all: to thine own self be true, And it must follow, as the night the day. Thou canst not then be false to any man.' " From Mr. Moscardelli — "You must realize it's your attitude not your aptitude that will determine your altitude."

It seemed that teachers couldn't resist the temptation to offer advice even when asked a question about something else! Students, however, were more on target.

To Tom Brennan — "B-R is nowhere land for a nowhere man."

To Martha MacDonald — "B-R is sleeping in Mr. Harrington's class."

To Mike Bumpus — "B-R is . . . (Just hold it off. I'll think of something.)"

From Mr. Harrington — "To live is to make our world with ourself — and then to avoid self-destructing."

To Scott Berry — "B-R means stolen rainbow crayons."

From Brenda Lopes — "Camping out in Physics."

To Jill Colford — "B-R means extracurricular activities."

SHY

Shy and hiding
for life to pass by
Telling yourself
Not to cry

Isolated in your room
heavy hatred all afternoon
Scared of saying
what you think
Making your life
lose a link

Link of life
Struggle of strife
Determine to yell
For hatred of Hell
And ever striving to rebel

Rebel the shell that you
have entered
For the fear you've faced
Is never contented

Open the shell and
you will see
The shy timid girl
Is actually me.
By Kelly McCarthy

THE NIGHTIME

Warm but lonely
alone,
forever fearing
that the cold
might envelope me
the shivering cold
that brings me back
to the nightmares
and wakes me up
frightened
and all alone
with nothing
and no one
to hold on to
I'm too old for a teddy bear
but still I'm too young.
By Kelly Hambly

Exeunt — All.

IT'S OUR CHOICE

There are so many things
on this oversized star
for a person to do
without travelling far
But the world is so large
and there's so many lands
we all have to change
so we'll all have a chance
A chance at a life
that's not sitting at home
Knitting a sock
or fixing a phone
we all have our stardom
our live and love friends
we take to our boredom
as an out of style dance
but life is too quick
with so little time
to do what you wish
and to make a small dime.

A Low-Cost Life Insurance Plan Especially Recommended for Students.

What Is The Plan?

This plan is designed to provide insurance protection at very low cost during your school years and the years after when you are becoming established in your vocation. The five year term policy provides life insurance protection for periods of five years and is automatically renewed every five years to age 70 regardless of your health. You may elect to convert to a cash value plan at any time up to age 65 without evidence of insurability. Cash value insurance would include such plans as STRAIGHT LIFE, 20 PAYMENT LIFE, LIFE PAID UP AT AGE 65, etc. This plan provides you with low-cost life insurance protection now and the flexibility of being able to convert to a permanent form of life insurance at a later date. Best of all, you will be starting a life insurance program with **Savings Bank Life Insurance,** known for its low cost and excellence.
